written in a clear readable style with a wide range of explanations and examples the sage dictionary of statistics methodology fifth edition by w paul vogt and r burke johnson is a must have dictionary that reflects recent changes in the fields of statistics and methodology packed with 500 new definitions terms and graphics the fifth edition is an ideal reference for researchers and professionals in the field and provides everything students need to read and understand a research report including elementary terms concepts methodology and design definitions as well as concepts from qualitative research methods and terms from theory and philosophy

the sage dictionary of statistics provides students and researchers with an accessible and definitive resource to use when studying statistics in the social sciences reading research reports and undertaking data analysis

with over 1000 entries on key concepts and theorists the sage dictionary of sociology provides full coverage of the field clarifying the technical use of apparently common words explaining the

fundamentals concepts and introducing new and unfamiliar terms a humorous enjoyable read this book provides authoritative reliable definitions accessible digests of key arguments contemporary and appealing illustrations of points

authoritative and comprehensive it provides clear confident and succinct summaries of key terms concepts debates and influential figures in the field of social aspects of health ray fitzpatrick professor of public health university of oxford this much needed resource covers over 900 terms commonly used in the health studies field

now in its fourth edition the sage dictionary of criminology has established itself as an authoritative reference text for the key concepts theories and methods in criminology and criminal justice edited by two leading figures in the field of criminology the book includes over 325 entries from 120 academics and practitioners from europe usa canada china australia and new zealand all concepts are precisely defined followed by a section outlining the concept's origins development and general significance a list of associated concepts and finally further reading suggestions to help extend students knowledge new to the 4th edition up to 30 new entries covering topics such as cyber security wildlife crime crimmigration and penal populism updates to entries including new further reading suggestions a new section evaluation is included for concepts considered to have the greatest theoretical weight allowing for a critical assessment of how the concept can be debated challenged and reworked further contributions from international academics an essential reference tool for students and academics within criminology criminal justice and legal studies

in this fourth edition of the sage dictionary of qualitative inquiry thomas a schwandt provides a guide to the terms and phrases that help shape the origins purpose logic meaning and methods of the practices known as qualitative inquiry this edition features 20 additional terms as well as a restructured reader's guide key references have been updated and select terms and phrases from previous editions have been reorganized and greatly expanded together the dictionary entries provide a guide to the methodological and epistemological concepts and theoretical orientations of qualitative inquiry this one of a kind resource is ideal for readers who are navigating various perspectives on qualitative inquiry working on a qualitative dissertation or are launching their own investigations into the issues covered

if the first edition was an invaluable guide for students the second is well nigh indispensable i can think of no better starting point for those wanting a quick fix on any given criminological topic professor tony jefferson keele university since its initial publication in 2001 i've steadfastly kept the sage dictionary of criminology within easy reach of my desk referring to it countless times in writing articles books and lectures i've found it to be a remarkable book a comprehensive

dictionary certainly but as much so a significant achievement in intellectual inquiry it may seem odd to say of a dictionary but it really is one of my favourite books the only book that can replace it on my deskside bookshelf is this second edition whose new entries confirm the editors grasp of contemporary criminology in all its excitement and complexity professor jeff ferrell texas christian university the welcome inclusion of entries on contemporary theoretical and policy concerns ranging from anti social behaviour eco crime and emotions through forensic anthropology globalisation governance and mentoring to sex crime virtual criminology and what works adds to the well established strengths of the first edition the entries all written by established scholars provide a clear concise and critical introduction to criminological concepts and constitute an invaluable resource for all criminology students and academics professor hazel croall glasgow caledonian university it is unusual for a dictionary to be interesting but this one manages to be both compelling and useful for faculty and students across a range of disciplines and orientations who are commonly interested in criminology the sage dictionary of criminology is also distinctive in providing a literally encyclopaedic compendium of information that has been carefully placed in social cultural and political contexts professor lynn chancer hunter college city university of new york the list of new entries is quite impressive once you ve read them you start to wonder how come that the first edition of the sage dictionary of criminology already felt so complete dr ren van swaaningen erasmus university rotterdam thoughtful evaluations of the key concepts criminologists must think about by quality contributors who include many of the world s leading criminologists professor john braithwaite australian national university the second edition of the bestselling sage dictionary of criminology is the ultimate reference tool for students of criminology and criminal justice it provides an accessible introduction to key theories concepts and topics offering comprehensive guidance through the field the editors have brought together a group of internationally prominent academics and practitioners to produce this definitive reference and research tool each entry contains a definition of the concept or topic distinctive features offering detailed comment on the concept s origins development and general significance evaluation of those concepts considered to have greatest theoretical weight and lasting legacy associated concepts for cross referencing and mapping connections across various fields and issues key readings to enable the student to take their knowledge further the new edition contains thirty six new entries covering subjects such as anti social behaviour globalization human trafficking and terrorism selected entries have been revised and updated this comprehensive text is the essential reference point for all students of criminology and criminal justice at all levels praise for the first edition the compilers have done criminology a tremendous service this dictionary is an invaluable resource for students and teachers and i m certain will be a key reference work for years to come professor tim newburn london school of economics great dictionaries inform intrigue and

investigate mclaughlin and muncie's perceptive collection does all three the sage dictionary of criminology is wide and accessible enough to interest anyone concerned with crime the law and the panoply of issues and explanations that surround them this admirable volume will inform guide and contribute to debates in the years ahead ellis cashmore professor of culture media and sport staffordshire university author of dictionary of race and ethnic relations and co editor of dictionary of cultural theorists mclaughlin and muncie have assembled an impressive list of international contributors and have succeeded in putting together a wonderfully entertaining book the dictionary belongs on every criminologist's bookshelf professor george mair liverpool john moore's university criminal justice an international journal 22 the main strength of the project lies in its attempts at integration of a wide range of themes and theoretical perspectives under one set of covers professor john raine university of birmingham youth justice 21 there is a genuine international feel to the compilation as a whole e nowadays such has criminology grown it is barely possible to keep up even in a narrowly defined sub field and a new dictionary is essential anyway we will all have to read it because our students will what a relief that it is such a pleasure to do so jason ditton university of sheffield british journal of criminology 43 2

a must have reference resource for quantitative management researchers the dictionary contains over 100 entries covering the fundamentals of quantitative methodologies covering both analysis and implementation and examples of use as well as detailed graphics to aid understanding every entry features an introduction to the topic key relevant features a worked example a concise summary and a selection of further reading suggestions cross references to associated concepts within the dictionary

the sage dictionary of policing is the definitive reference tool for students academics and practitioners in police studies the dictionary delivers a complete guide to policing in a comprehensive easy to use format contributions by 110 of the world's leading academics and practitioners based in 14 countries map out all the key concepts and topics in the field each entry includes a concise definition distinctive features of the concept a critical evaluation associated concepts directing readers to linked entries key readings enabling readers to take their knowledge further in addition the sage dictionary of policing offers online resources including free access to key articles and links to useful websites this is a must have for students lecturers researchers and professionals in police studies criminology and criminal justice it is the ideal companion to the sage dictionary of criminology together the two books provide the most authoritative and comprehensive guide available alison wakefield is senior lecturer in criminology at the university of new south wales she was previously based at city university london jenny fleming is professor at the tasmanian institute of law enforcement studies university of tasmania

what is leisure studies who are the key figures in the field how can we evaluate the relevance of concepts in the field this is the first full length dictionary of leisure studies it examines the key concepts assesses the work of central figures and helps students zero in on essential issues and conceptual distinctions the book provides an unprecedented critical survey of the field offers students authoritative comprehensive accounts of the basic concepts and leading figures provides students with core resources to write essays and pass exams written by teachers experienced with the needs of undergraduates and postgraduates in the field the book will be quickly recognized as a vital asset in making sense of leisure studies

this comprehensive work extends general ideas concepts and techniques of qualitative research into the realm of management research this is a crucial reference tool for anyone conducting research in this field of study choice with over 100 entries on key concepts and theorists the dictionary of qualitative management research provides full coverage of the field explaining fundamental concepts and introducing new and unfamiliar terms this book provides definitions examples in the field of management studies criticisms and possible future directions engagingly written by specialists in each area this dictionary will be the definitive and essential companion to established textbooks and teaching materials in qualitative management research

this is the first full length dictionary of leisure studies it examines the key concepts assesses the work of central figures and helps students zero in on essential issues and conceptual distinctions

this book challenges the given dichotomies between crime and harm and criminology and zemiology the main aim of the volume is to highlight the inexorable interconnectedness between systemically induced social harm and the corrosive flows of everyday crime both perpetrated and endured by those victimised by the capitalist system and its hegemonic vicissitudes drawing attention not only to various structurally imbedded harms the chapters also outline the wider consequences of such harms as they extend beyond immediate victims and contribute towards the further perpetuation of criminogenic and zemiogenic conditions comprising two parts the first explores the relationship between crime and harm and criminology and zemiology and the second explores the intersections of crime and harm through various lenses including those trained on probation global mobility sexuality and gender war and gendered violence fashion counterfeiting and the harms of the service economy an exciting and wide reaching volume written by world renowned scholars this collection is a must read for students academics and policy makers in the fields of law criminology sociology social policy criminal justice and social justice

this book explores commodification processes of personal data and provides a critical framing of the ongoing debate of privacy in the internet age using the example of social media and referring

to interviews with users it advocates and expands upon two main theses first people's privacy is structurally invaded in contemporary informational capitalism second the best response to this problem is not accomplished by invoking the privacy framework as it stands because it is itself part of the problematic nexus that it struggles against informational capitalism poses weighty problems for making the internet a truly social medium and aspiring to sustainable privacy simultaneously means to struggle against alienation and exploitation in the last instance this means opposing the capitalist form of association online and offline

a welcome addition to the literature in the rapidly expanding field of sports studies it is up to date comprehensive and well and clearly written though primarily sociological in its orientation it will help students postgraduate and undergraduate alike and their teachers as well to establish connections between the various sub disciplines and guide them to sources which will enable them to probe issues more deeply it is a beautifully crafted book and is sure to be a hit with students and their teachers it would not surprise me in the least however if it appealed to sports lovers more generally it is a tour de force and i recommend it unreservedly eric dunning professor in sociology the centre for the sociology of sport university of leicester sports studies is one of the fastest growing fields in higher education today the sage dictionary of sports studies brings a timely much needed and comprehensive tool for all students in this multi disciplinary field each entry provides a basic definition a guide to research themes and a clear account of the relevance of the concept in understanding sport not only indispensable for quick clarification of terms it will give students a springboard for more in depth research and critical analysis it offers cross referencing to assist critical thinking a list of key readings for each entry expert definitions drawn from sociology history psychology economics management and business politics and policy physical education and health and research methods concise student friendly and authoritative entries covering sociology history psychology politics business physical education health and research methods the sage dictionary of sports studies provides the first one stop reference guide for all students who study the social aspects of sport
